

## Stiga Multiclip Pro 50 Svan

---

A professional lawnmower with the effective Multiclip system.

The Multiclip system cuts and fertilises the lawn. It also makes the lawnmower quieter. You don't need to rake or empty a collector. You cut the grass about 30 % faster compared to collecting.

The lawnmower is designed for professionals or others who want the best. Professional features are for example, low vibrations which means that you can work a full day without white fingers, a very sturdy deck and wheels in aluminium, adjustable handle for cutting close to walls, central height adjustment and a friction blade holder that protects the engine if you hit solid objects.

Equipped with an environment friendly 4,5 hp motor. Cutting width is 48 cm.

Certified with the SVAN label as an environment friendly option.
